

Mark Burhenne DDS Inc. and AsktheDentist.com

I understand that private consultations by Skype or phone are for informational purposes only, and are not designed to replace clinical treatment or my physician's or health care provider's independent judgment about the appropriateness or risks of a procedure, diagnostic test, or treatment. By engaging in a Skype or phone consult with Dr. Burhenne, I acknowledge and agree that: the information discussed in my Skype or phone consult is not intended for the purpose of medical diagnosis or treatment, including self-diagnosis or treatment, nor is it a substitute for, or to replace or modify, clinical medical or professional advice, care, diagnosis, or treatment; and that neither Mark Burhenne DDS, Mark Burhenne DDS Inc., or AsktheDentist.com assumes any liability for patients who are not treated in a clinical setting.

I will never disregard medical advice or delay in seeking it because of something discussed in my Skype or phone consult. I agree that I should seek in-clinic advice of a physician or dentist or other health care provider; before taking any action related to information discussed in my Skype or phone consult, including the undertaking of any diet, exercise, or other health plan or program; or if I have questions or concerns about my health, a medical condition, or any plan or course of treatment. If you think you may have a medical emergency, call your doctor or 911.
